

# The Fun Tracks

Herbie Hancock

No place left to go? Got a feelin' you're dead?  
Better find a groove to ride  
Face down on the floor? But you ain't finished yet  
Gonna show you all the light  
This is the moment you've been waiting every day for  
We've got the spirit and we're never gonna let it fade  
There ain't no second place

Runnin' down the fun tracks  
Everybody's givin' it up, livin' it up  
Catch us runnin' down the fun tracks

## VERSE 2

Get you suited down in your finest of clothes

No use holdin' back people, anything goes

We need ya! We'll meet ya!
