

# Blind

## Hercules and Love Affair

As a child, I knew  
That the stars could only get brighter  
And we would get closer  
Get closer  
Ooooooh

As a child, I knew  
That the stars could only get brighter  
That we would get closer  
Get closer  
Leaving this darkness  
Behind

Mmmmm-mmmmm  
Oooooooh

Now that I'm older  
The stars should lie upon my face  
When I find myself alone  
Find myself alone  
Ooooooh

Now that I'm older  
The stars should lie upon my face  
And when I find myself alone  
I feel like I  
I am blind

Feel it  
Feel it  
Feel it  
Feel it  
Like I am blind  
I am blind

I wish the stars could shine now  
For they are closer  
They are near  
But they will not present my present  
They will not present my present

I wish the light could shine now  
For it is closer  
It is near  
But it will not present my present  
It makes my past and future painfully clear

To hear you now  
To see you now  
I can look outside myself  
And I must examine my breath and look inside  
Ooooooh

To see you now  
To hear you now  
I can look outside myself  
And I must examine my breath and look inside

Because I feel blind  
Because I feel blind

I feel it  
I feel it  
I feel it  
Like I  
Like I'm blind  
Ooooooh  
The movie will  
Mmmm, and feel it  
Oooooh, I feel it  
Feel it
