

Rupture the body  
Claret pours  
Rupture the body  
I am yours

Carved in my chest  
You tear my weakened frame  
Carved in my chest  
Rupture the body

Carved in my chest  
You tear my weakened frame  
Carved in my chest  
I am yours

Rupture the body  
Claret pours  
Rupture the body  
I am yours

Rupture the body  
Claret pours  
Rupture the body  
I am yours

And when the knife's clearly guided  
I will grit down my teeth  
And when the knife's clearly guided  
You can tether me  
I am yours  
I am yours

Rupture the body  
Claret pours  
Rupture the body  
I am yours
