

# Siege Lord

Heriot

Ritual death  
Redemption of rule and domination  
Your will, consumed in fire  
Guarded by the serpent

Dwelling place of spirit  
Obsidian  
The mace with seven heads  
Dying alter  
Paradise regained  
Denier of possession

Plead forgiveness, resolve your guilt  
I will not serve

Siege lord  
Supreme power, burning ruin  
Siege lord  
Let my body purify  
Siege lord  
Rule and domination  
Siege lord  
Let my body purify

Ritual death, bare my cleansing  
Break me

Siege lord  
Supreme power, burning ruin  
Siege lord  
Let my body purify  
Siege lord  
Rule and domination  
Siege lord  
Let my body purify

Your will, consumed in fire  
Guarded by the serpent
