

# Zockebeye Time

Herman Brood

Magic honey

ain't taught in school

it's a rare technique

Hard heads

educated fools

it's y'r motives that are weak

Zockebeye

Zockebeye time

Zockebeye & don't you cry

Electric Santa Claus winkin' at me

from the neonlight

I feel so horrible

I feel so blue it's almost bright

Zockebeye

Zockebeye time

Zockebeye & don't you cry

I ain't poor - just broke

a bunch full of creeps

a house full of deadbeats

waitin' for a fix

zoomin' round

Play the game of evil

drown in overloadin' shit

Zockebye time

Zockebye & don't you cry

RICH OF MIND & POOR OF POCKET

he ain't poor

MEANER THAN A MINK IN THE HEAT

I AIN'T POOR he ain't poor

JUST BROKE

SOCALLED BLOODBROTHERS

he ain't poor

DISAPPEAR IN SMOKE

I AIN'T POOR, JUST BROKE
