

Got A Feeling

Herman's Hermits

Got a feelin' about you
Got a feelin' that won't quit, baby
Got a feelin' about you
Somethin' sayin' this is it, baby
Just hear my heart double beat
And it scares me too
I walk down the street
Every face is you
Yes, it's you

Got a feelin' I'm fallin'
Got a feelin' I'm too far gone now
Got me reelin' and callin'
Listen baby, we must go on now
I'll stick with you
I'll stick like glue until you
Got a feelin' all about me too

Got a feelin' I'm fallin'
Got a feelin' I'm too far gone now
Got me reelin' and callin'
Listen baby, we must go on now
I'll stick with you
I'll stick like glue until you
Got a feelin' all about me too

Got a feelin' all about me too
Got a feelin' all about me too
