

Thinkin' Of You

Herman's Hermits

Thinkin' of you
And all the things we used to do
There's nothing to do
Without you by my side

Thinkin' of you
And everything we used to share
Feeling so blue
The tears I got to hide

Think of me and then pretend I'm standing by your side
And tryin' to stop me loving you
Is like, tryin' to stem the tide

It's gonna come true
One day my dreams will come to life
Until they do
I wander all alone

Think of me and then pretend I'm standing by your side
Tryin' to stop me loving you
Is like, tryin' to stem the tide

It's gonna come true
One day my dreams will come to life
Until they do
I wander all alone

It's gotta be you
'Cause no one else will ever do
Thinking of you
I want you for my own

Thinking of you
Thinking of you
Thinking of you
