Walking With My Angel

Herman's Hermits

Ain't no guy in town Who would ever try to put me down When I'm walkin' walkin' with my angel, whoa-uh-oh

'cause every guy I see Is a-wishin' that-a he were me When I'm walkin' walkin' with my angel (angel)

a-when we're strollin' hand in hand I'm as happy as can be Aww, she's the prettiest girl in town And everyone can see she belongs to me

Well I feel so proud It's as good as walkin' on a cloud When I'm walkin' walkin' with my angel

Aww, when we're strollin' hand in hand I'm as happy as can be 'cause she's the prettiest girl in town And everyone can see she belongs to me

Well I feel so proud It's as good as walkin' on a cloud When I'm walkin' walkin' with my angel

Aww, when I'm walkin' walkin' with my angel Yeah, when I'm walkin' walkin' with my angel
