

For Ever Hold Your Peace

Herman van Veen

Sally, don't tell Sugar what I said.
Sally, if you tell her I'll just die.
Oh, please, forever hold your peace, please.
That's a good girl!

Etna, don't tell Sugar what I said.
Sally, not a word of this to Sugar.
Oh, please, forever hold your peace, please.
That's a good girl!

When I say what comes into my head
I always wake of feeling kind of bad.
I'm sure you understand
what the wine does to my mind.

Kathy, don't tell Sugar what I said.
Nancy, just forget the things I did.
Oh, please, forever hold your peace, please.
That's a good girl!

Someday some sweet Sugar will be mine.
But until then I've got to get around.
So kiss me while we can.
'cause she'll never understand.

Kathy, Etna, Nancy, Sally you
must never breathe a word of this to Sugar
Oh, please, forever hold your peace, please.
That's a good girl!
