

# You've Got A Friend

Hermes House Band

When you're down and troubled  
And you need a helping hand  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest night

You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend

If the sky above you  
Grows dark and full of clouds  
And that old north wind begins to blow  
Keep you head together  
And call my name out loud  
Soon you'll hear me knocking at your door

You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there

Ain't it good to know that you've got a friend  
When people can be so cold  
They'll hurt you, and desert you  
And take your soul if you let them

You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend  
You've got a friend

Ain't it good to know you've got a friend  
Ain't it good to know you've got a friend
