Smoke a little Scooby snacks, out meddling

Vibing to the music as I'm walking over to her  
Now we need to call the Uber, hallelujah, hallelujah  
Walk into the house, I had a different conversation  
Know it's been a cool minute, I ain't mean to keep you waiting  
Passionate sex then she hit me with the text like

Hustling, trying new supplements, dang

Let me breathe on you  
What you got on underneath? Yeah, I'm tryna see something  
Finally fled the seen like around 3 something  
2 girls, 1 me, guess it's 3 sum  
Take it all, baby, know I like it raw  
Hit it like O-D-B, Wu-Tang
