

Overdue

Hermitude

It wasn't more than
More than just a one night thing
I never wanted that thing
We were overdue, eh
We were overdue

We've been
Playing the back and the forth on the text
Sending pictures
Aiming, we aim and keep playing
But ain't pull the trigger, oh yeah
When we both know what the truth is
Yeah, we overdue, yeah
Yeah, we overdue

Ooh, you know we need to finish
Oh, what we started in the DMs
Got me all up in your [?]
Oh, girl you got me on your hit list

It was better than you expected
It was better than I expected
I think I'm coming back for seconds
Oh, yeah

It was a one time thing
Texting me at midnight, let me hit it all night
Now it's a two time thing
Back on me in the morning, didn't get a warning
Now it's a three time thing
I can't get enough of it
Need you in high dosages, try this
Stay in my list like this, baby
More than just a one night thing

More than a one night thing
More than just a one night thing
'Cause I can't get enough of it
Need you in high dosages, like this
Stay in my list, try this
More than a one night thing

Weekends
Turn into weekdays
And mornings, they turn into evenings
First it was shallow
But now we out here in the deep end, ah yeah
And we both know what the truth is
We were overdue, yeah
We were overdue

It was a one time thing
Texting me at midnight, let me hit it all night
Now it's a two time thing
Back on me in the morning, didn't get a warning
Now it's a three time thing
I can't get enough of it

Need you in high dosages, try this
Stay in my list like this, baby
More than just a one night thing

More than a one night thing
More than just a one night thing
'Cause I can't get enough of it
Need you in high dosages, like this
Stay in my list, try this
More than a one night thing

And it was better than you expected
It was better than I expected
I think I'm coming back for seconds
Seconds
More than just a one night thing
