

## Phew

Hermitude

No way, no way Jose, no way  
She can't take my man away  
No way Jose, no, no, no way  
He stayin' right here with me

Drip, drip, drip, drip real right  
Chain from the thrift and my box spread's tight  
If I see him with an IG bitch I'll fight  
Or I might just cop her instead I might

Phew, phew with the cash  
Phew, phew  
Phew in the wind with the Benz  
Phew, phew, phew  
Breezy, it's so easy  
That's how I know my boy won't leave me  
Phew

No way, no way, Jose, no way  
She can't take my man away  
No way Jose, no, no, no way  
He stayin' right here with me

No way, no way  
No way, Jose  
No, no, no way, he stayin' right here with me

Stay, stay, stay, stay, stay  
Me and my Gs, it's Doc's on my feet  
Fishnet tights with the crop top please  
When D turn a mic on it's done for you B's  
Bombay gin, it's a Bombay t'ing  
Oh you came a long way from crumbling  
My day won't slow down oh from way back when  
Born trim, if my boy real I'm a cop him a Benz  
I'ma wop in my Benz  
I'ma cop him a crib  
With a lawn and fence and a side burbs bitch  
And the feds gon' pull up when we bump this shit  
Toast, toast to the days we were struggling, yuh

Phew with the cash  
Phew, phew  
Phew in the wind with the Benz  
Phew, phew, phew  
Breezy, it's so easy  
That's how I know my boy won't leave me

No way, no way  
No way Jose  
No, no, no way  
No, no, no way  
No way, no way  
No way, Jose  
No, no, no way he stayin' right here with me
