

Stupid World

Hermitude

I don't come from a pretty place
And I get mad when I don't get my way
She can't stand it when I drink
'Cause I say whatever is in my brain

And I have burnt some bridges
But may the bridges I burnt light the way
I have burnt some bridges
But may the bridges I burnt...

Light the way
Light the way
Light the way
Light the way

I can't help it, my IPA
Makes it easier to get through the day
I don't think that my GPA
Says anything 'bout the way I think

And I have burnt some bridges
But may the bridges I burnt light the way
I have burnt some bridges
But may the bridges I burnt light the way

I have burnt some bridges
But may the bridges I burnt...
Light the way
Light the way

Yes I just stay in this stupid world
Yes I just stay in this stupid world
Yes I just stay in this stupid world
Yes I just stay in this stupid world, oh

Light the way
