

Harvey

Her's

Some people think I'm acting worse for wear
Suffice to say this is a quaint affair
But no one really knows me like Harvey
And once you've met him I'm sure you'll agree

(Yeah I get it)
(You wanna know)
(Who he is)
(Where we go)

(Yeah I get it)
(You wanna see)
(What it is)
(Him and me)

Harvey
Nobody knows what I see
Nobody knows I'm waiting
Waiting for you to call

Harvey
Nobody knows what I see
Everyone thinks I'm crazy
Crazy for you, oh boy

Barked at the moon amid an empty street
We felt the remnants of the evening heat
Said "Harvey let me be the one to say"
"I wouldn't dream this any other way"

(Yeah I get it)
(You wanna know)
(Who he is)
(Where we go)

(Yeah I get it)
(You wanna see)
(What it is)
(Him and me)

Harvey
Nobody knows what I see
Nobody knows I'm waiting
Waiting for you to call

Harvey
Nobody knows what I see
Everyone thinks I'm crazy
Crazy for you, oh boy

Harvey
Nobody knows what I see
Everyone thinks I'm crazy
Crazy for you, oh boy

Harvey
Nobody knows what I see

Nobody knows I'm waiting
Waiting for you to call

Harvey
Nobody knows what I see
Everyone thinks I'm crazy
Crazy for you, oh boy
