

## I'll Try

Her's

I was stressing  
Head screwed on too tight  
Read your words  
That felt so close despite

You always wrote a letter  
Inscribed ever so slight  
Just be yourself and I'll be fine

I'll try  
For you, for you

I'll try  
For you, for you

I read the thoughts  
That you didn't want to write  
Yes, I'm at ease but it ain't gone overnight  
See, my head tagged one dream too many  
But still you're there insight  
Just be yourself and I'll be fine

I'll try  
For you, for you

I'll try  
For you, for you

I'll try  
For you, for you

I'll try  
For you, for you

I'll try  
For you, for you

I'll try  
For you, for you
