

# Power Mad

Hexx

Cruel sadistic brutal tyrant  
Legacy of insanity  
Young conceited angry ruthless viper  
For the Roman people  
Lavish lifestyle bizarre obsessions  
Wallowing in luxury  
Wild excesses waste and carnage  
Killing for the mere amusement

Borne into a ruling family  
Self-proclaimed divinity  
Little boots stomping down  
Wearing his laurel leaf crown

Power Mad, Power Mad  
Power Mad, Power Mad till the end

Proud ruler Roman emperor  
Blood of Augustus in his veins  
Squandered vast sums of money  
In the states treasury  
Brazen affairs with married women

Incest with his sisters too  
Diabolical perversions  
With despotic caprice

Borne into a ruling family  
Self-proclaimed divinity  
Little boots stomping down  
Wearing his laurel leaf crown

Power Mad, Power Mad  
Power Mad, Power Mad till the end

All manner of evil  
Arrogant self-appointed god  
Tormented twisted mad man  
Unconstrained debauchery  
Executed all his rivals  
Murderous rampage of death  
Finally assassinated  
Dead and gone but never mourned
