

Marseilles

Hey Marseilles

You'll find out just who was your friend
Don't be sad, I know you
Don't give up until
True love will find you in the end

This is a promise with a catch
Only if you're looking, will it find you
True love is searching too
How can it recognize you
Unless you step into the light?

Don't be sad, I know you will
Don't give up until
Don't give up until
Don't give up until
True love will find you in the end

You'll find out just who was your friend
Don't be sad, I know you
