

i haunt ur dreams

hey, nothing

One, two three, four

I can't find my feet anymore
My hands are driftin' through the floor
I'm hauntin' you
I'm hauntin' you
You don't see me walk through the walls
And you're ignorin' all my calls
I'm hauntin' you
I'm hauntin' you
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh

I saw you lookin' through the door
Of your 2006 accord
I floated up to the third floor
We'll watch the news if you get bored
Ooh, ooh, ooh, ooh
You heard a noise and then you laughed
A couple days after I passed
You brushed it off and slept alone
You'll never know that I'm a ghost
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh

I can't find my feet anymore
My hands are driftin' through the floor
I'm hauntin' you
I'm hauntin' you
You don't see me walk through the walls
And you're ignorin' all my calls
I'm hauntin' you
I'm hauntin' you
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh

I found your privacy for rent
I'll follow you until your end
When you were young, you liked the snow
Now you're all dried up and old
When you're in bed, you lie awake
I haunt your dreams
You think I'm fake
I walk around and you're asleep
You'll never know the walls I creep
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh

I can't find my feet anymore
My hands are driftin' through the floor
I'm hauntin' you
I'm hauntin' you
You don't see me walk through the walls
And you're ignorin' all my calls
I'm hauntin' you
I'm hauntin' you
Ooh, ooh, ooh, ooh

Ooh, ooh, ooh, ooh

I can't find my feet anymore
My hands are driftin' through the floor

I can't find my feet anymore
My hands are driftin' through the floor
I'm hauntin' you
I'm hauntin' you
You don't see me walk through the walls
And you're ignorin' all my calls
I'm hauntin' you
I'm hauntin' you
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh

I can't find my feet anymore
My hands are driftin' through the floor
I'm hauntin' you
