

# Can't Let Go

Hey Ocean!

Can't Let Go Lyrics Hey  
Ocean!

Put poison in my favorite  
cup  
Let it go ahead and fill me  
up  
Cuz' the taste is all I've  
got  
The traces of a wasted kind  
of love

You can cut me with a  
thousand knives  
Just the way you've done a  
thousand times  
If it keeps you close, then  
I  
Would gladly let you take my  
life

I can't let go  
Oh, I wanna  
But I just don't know  
What I gotta do to just let  
go  
Oh, I wanna  
But I just don't know  
What I gotta do to just let  
go

There's a time ... light  
And it's shining like the  
world's on fire  
Just one look at you and I  
go blind  
It will never be enough, the  
traces of your wasted love  
Traces of your wasted kind  
of love

I can't let go  
Oh, I wanna  
But I just don't know  
What I gotta do to just let  
go  
Oh, I wanna  
But I just don't know  
What I gotta do to just let  
go  
Oh, I wanna  
But I just don't know

(Oh aah  
I can't let go)

Sometimes, I just wanna give

up  
But I can't let go, can't

let go  
I've tried, but you've  
poisoned my cup  
And I can't let go, can't  
let go

Sometimes, I just wanna give  
up  
But I can't let go, can't  
let go  
I've tried, but you've  
poisoned my cup  
And I..

I can't let go  
Oh, I wanna  
But I just don't know

I can't let go  
Oh, I wanna  
But I just don't know  
What I gotta do to just let  
go  
Oh, I wanna  
But I just don't know  
What I gotta do to just let  
go  
Oh, I wanna  
But I just don't know

(Oh aah  
I can't let go)

Sometimes, I just wanna give  
up  
But I can't let go, can't  
let go  
I've tried, but you've  
poisoned my cup  
And I can't let go, can't  
let go

Sometimes, I just wanna give  
up  
But I can't let go, can't  
let go  
I've tried, but you've  
poisoned my cup  
And I can't let go, can't  
let go

Sometimes, I just wanna give  
up  
But I can't let go, can't  
let go  
I've tried, but you've  
poisoned my cup  
And I can't let go, can't  
let go
