

Eskimo Kisses

Hey Ocean!

We awoke dancing in a passionate stare
Strangers around us smelt the love in the air
I gasped and you laughed at me
We were making love in the middle of somebody's jealousy

Strange men and even stranger women staring
Suprised to see that we weren't wearing anything at all
Caught off guard in a crazy situation
In love
Performing public consumation

You looked at me and then to them
At first I thought it was all just pretend
Your eyes were seen
But the faces were hidden with souls in search of love that's forbidden

La la la la la la
La la la la la la
Ooh
Ooh
Ooh

It's an Eskimo man with an Eskimo Mrs.
I'll cover you in Eskimo kisses
An Eskimo man and an Eskimo Mrs.
I'll cover you

How the hell did we end up like this
Wandering between reality and happiness
But fingers had snapped
It began making sense
There we were
Face to face with our own consequence

We acted fast and with a smile
Then we ran for what seemed a mile
Cold summer air ran fast at our cheeks
As we fumbled our way running from the beach

Headlights cut through our midnight disguise
And announced our bodies to the night
Oh
You bear the cold so well and I bear the lies

It's an Eskimo man with an Eskimo Mrs.
I'll cover you in Eskimo kisses
An Eskimo man and an Eskimo Mrs.
I'll cover you

It's an Eskimo man and an Eskimo Mrs.
I'll cover you in Eskimo kisses
An Eskimo man and an Eskimo Mrs.
I'll cover you

An Eskimo man and an Eskimo Mrs.
I'll cover you in Eskimo kisses
An Eskimo man and an Eskimo Mrs.

I'll cover you
I'll cover

(We were naked)
An Eskimo man and an Eskimo Mrs.
(We were naked and we weren't gonna take it)
I'll cover you in Eskimo kisses
(And when you're naked you're just waking up)
An Eskimo man and an Eskimo Mrs.
I'll cover you
I'll cover
(Oh)

An Eskimo man and an Eskimo Mrs.
('Cause we got no clothes)
(No no no no no no no no)
(They were stole by the eskimos)
I'll cover you in Eskimo kisses
An Eskimo man and an Eskimo Mrs.
I'll cover you
I'll cover you
I'll cover you
I'll cover you
I'll cover you
I'll cover you
