

## Moving On

Hey Ocean!

Boy never settle down  
Don't stay in the same places too long  
You'll find that you'll be fine if you never tie yourself to no  
thing  
'Cause when life becomes a tendency you're dependent  
It's time to move along  
Sail to another place where no one knows your face  
And there's no risk of loving  
No

Boy if you knew what's best for you  
You'd address your need to be accepted by others  
Who don't care 'bout nothing but their own sense of pride  
'Cause too many people live dying to be heard but never get the  
message  
Try listening instead to the words unsaid that often seem to hi  
de

Ooh
