

All We Ever Wanted

Hey Violet

Four girls hop in the RAV4
Yeah we're just young and we're bored
Our boyfriend's hotter than yours
Just dyed my hair and cut it short
We got no money left
But we're not going home yet
We're all emotional wrecks
But it don't matter cause

All we ever wanted was to feel like this
All we ever wanted, all we ever wanted
All we ever wanted was to feel like this
To feel like this, it's all we ever wanted

This party's way too sketch
And I'm way too underdressed
He's kinda cute I'm dead
Might be our best night yet
Ain't got no money left
But we're not going home yet
We're all emotional wrecks
But it don't matter cause

All we ever wanted

I'm melting in your arms
Let's take this way too far

All we ever wanted was to feel like this
All we ever wanted, all we ever wanted
All we ever wanted was to feel like this
To feel like this, it's all we ever wanted

All we ever wanted was to feel like this
All we ever wanted, all we ever wanted
All we ever wanted was to feel like this
To feel like this, it's all we ever wanted

I'm melting in your arms
Let's take this way too far

All we ever wanted was to feel like this
All we ever wanted, all we ever wanted
All we ever wanted was to feel like this
To feel like this, it's all we ever wanted
