

# Problems

Hey Violet

I, I got trouble on my mind  
I, I do this every fucking time  
I, I try to keep it inside  
But I, I don't follow my own advice

I, I got my focus on you  
I, I feel your fire in the room  
I, I don't know what I might do  
If I, I get a taste of something new

Dip a toe to overdosing  
Lose control of my emotions

If you keep looking at me like that  
Problems  
If you keep on touching me like that  
Problems  
If you keep on thinking what I think  
You might be thinking then  
I think, I think, I think we're gonna have  
Problems

If you keep looking at me like that  
Problems  
If you keep on touching me like that  
Problems  
If you keep on thinking what I think  
You might be thinking then  
I think, I think, I think we're gonna have

You, you could be my best mistake  
Yeah, you, you make it hard to hesitate  
I, I try to show some restraint  
But you, you know it's already too late

Dip a toe to overdosing  
Lose control of my emotions

If you keep looking at me like that  
Problems  
If you keep on touching me like that  
Problems  
If you keep on thinking what I think  
You might be thinking then  
I think, I think, I think we're gonna have  
Problems

If you keep looking at me like that  
Problems  
If you keep on touching me like that  
Problems  
If you keep on thinking what I think  
You might be thinking then  
I think, I think, I think we're gonna have

I don't trust myself  
I know me too well

I can't stop this now  
There's no slowing down  
God, I'm so cliché  
Love the mess we made  
I can't stop this now  
There's no slowing down

If you keep looking at me like that (Like that)  
Problems  
If you keep on touching me like that (Like that)  
Problems  
If you keep on thinking what I think  
You might be thinking then  
I think, I think, I think we're gonna have  
Problems

If you keep looking at me like that  
Problems  
If you keep on touching me like that  
Problems  
If you keep on thinking what I think  
You might be thinking then  
I think, I think, I think we're gonna have

Problems, problems, ooh  
Problems, problems, ooh  
Problems, problems  
(Yeah, I think, I think, I think we're gonna have)  
Problems, problems, ooh  
Problems, problems, ooh  
Problems, problems  
(Yeah, I think, I think, I think we're gonna have)
