

Sway

Hey Violet

It would tell myself I
I'll outrun myself 'cause I
I could disappear into the shadow of a motel
I could do whatever, go wherever, make a story to tell, I
[?] happen for real

Oh, it's so confusing and I'm losing track of my thoughts
'Cause the last time I [?] I gave you the story all night

I don't say things I don't wanna say so
I can sway things any way I want to
Any way I want to
Any way I want to

Hey, watch my steps
Tryna work my head right through
The more you push the more I can't remember my alibi
Every question you ask makes it harder for me to testify, I
Still I'ma try, I

Oh, it's so confusing and I'm losing track of my thoughts
'Cause the last time I [?] I gave you the story all night

I don't say things I don't wanna say so
I can sway things any way I want to
I don't say things I don't wanna say so
I can sway things any way I want to

I can sway things
I can sway things
I can sway things
I can sway, I can sway, I
I can sway things
I can sway things
I can sway things
Any way I want to

I don't say things I don't wanna say so
I can sway things any way I want to
I don't say things I don't wanna say so
I can sway things any way I want to

I can sway things
I can sway things
Any way I want to
I can sway things
I can sway things
I can sway things
Any way I want to
