

Break Every Chain

Hezekiah Walker

There is power in the name of Jesus
There is power in the name of the Lord
There is power in the name of Yeshuwa
To break every chain, break every chain, break every chain

There is power in the name of Jesus
There is power in the name of Jesus
There is power in the name of Jesus
To break every chain, break every chain, break every chain

There is power in the name of Jesus
There is power in the name of Jesus
There is power in the name of Jesus
To break every chain, break every chain, break every chain

Awesome, vision, sacrifice
So freely given such a price
For our redemption Heavens gates swing wide

There is power in the name of Jesus
There is power in the name of Jesus
There is power in the name of Jesus
To break every chain, break every chain, break every chain

Break it up, break it up

There is power in the name of Jesus
There is power in the name of Jesus
There is power in the name of Jesus
To break every chain, break every chain, break every chain

Break it up
Break it up, break it up, break it up
Everything is done undone

There's an army rising up
There's an army rising up
There's an army rising up
To break every chain, break every chain, break every chain

Oh break it up
Hey break it up
Hey break it up
Hey now

There's an army rising up
There's an army rising up
There's an army rising up
To break every chain, break every chain, break every chain

Break it up, break it up, break it up
Break it up, break it up
Break it up, break it up

There is power in the name of Jesus
There is power in the name of Jesus
There is power in the name of Jesus

To break every chain, break every chain, break every chain
Break every chain, break every chain, break every chain

There is power in the name of Jesus
Power in the name of the Lord
There is power...

Those chains of addictions
Break it up, break it up
Those chains of drugs
Break it up, break it up
Break it up
Break it up

There is power in the name of Jesus
There is power in the name of Jesus
There is power in the name of Jesus
To break every chain, break every chain, break every chain
Break every chain, break every chain, break every chain
Break every chain, break every chain, break every chain

There is power in the name of Jesus
There is power in the name of the Lord
There is power in the name of Jesus
To break every, break every, break every chain
