

More Than A Conqueror

Hezekiah Walker

I am not a conqueror
Don't call me a conqueror
I am not a conqueror
Cause I'm more than a conqueror

I'm not just a conqueror
No not just a conqueror
I'm not just a conqueror
But I'm more than a conqueror

The fight is fixed
I know, I'll win
I won't give in
Cause I'm more than a conqueror

My walk is strong
And my faith is long
I can't, can't go wrong
Cause I'm more than a conqueror

I am not a conqueror
Don't call me a conqueror
I am not a conqueror
Cause I'm more than a conqueror

I am not a conqueror
Don't call me a conqueror
I am not a conqueror
Cause I'm more than a conqueror

The fight is fixed
I know, I'll win
I won't give in
Cause I'm more than a conqueror

My walk is strong
My faith is long
I can't go wrong
Cause I'm more than a conqueror

I am not a conqueror
Don't call me a conqueror
I am not a conqueror
Cause I'm more than a conqueror

I am not a conqueror
Don't call me a conqueror
I am not a conqueror
Cause I'm more than a conqueror

The fight is fixed
I know, I'll win
I won't give in
Cause I'm more than a conqueror

My walk is strong
My faith is long

I can't go wrong
Cause I'm more than a conqueror

I am not a conqueror
Don't call me a conqueror
I am not a conqueror
Cause I'm more than a conqueror

I am not a conqueror
Don't call me a conqueror
I am not a conqueror
Cause I'm more than a conqueror

More, more, more, I am more, I am more than a conqueror [x7]

I am not a conqueror
Don't call me a conqueror
I am not a conqueror
Cause I'm more than a conqueror
