

# Let's Get It Started (Keep It Goin' On)

Hi-Five

I don't care whose noise it is  
Cut out all that noise out there

Yo Hi-Five (wassup?)  
Kick it

Back, back  
To the left, to the right  
Back, back  
To the left, to the right

Back, back  
To the left, to the right

Back, back  
To the left, to the right

Back, back  
To the left, to the right

Back, back  
To the left, to the right

Back, back  
To the left, to the right

Back, back  
To the left

You and me  
Were meant to be  
That's what my friends tell me  
All through school  
I always knew  
Loving you would be reality, girl

Let's not wait (baby, any longer)  
'Cause love's elating (the feeling's getting stronger, girl)  
Don't hesitate (oh no, baby take my hand)  
(Come on, baby)  
(Let's get it started)

Let's get it started  
Keep it goin' on, girl  
Let's get it started

Let-le-l-let's get it

What you got  
Every guy wants it  
That's why I'm tryin'  
So hard to get up on it

Let me know  
If another guy's around  
Talk to me  
'Cause I gotta know right now

Let's not wait (oh no, any longer, girl)  
'Cause love's elating (the feeling's getting stronger, girl)  
Don't hesitate (alright, take my hand)  
(Come on, let's get it started)

Let's get it started  
Keep it goin' on, girl  
Let's get it started  
Let's get, let's get it

I gotta get some of this  
Check this

Coochie, coochie, coo  
Let me tickle you  
And then I'll show you all the freaky things that I could do  
Then lay ya body down  
Turn your frown to a smile  
And I'll be there to pick you up whenever I see you down  
So girl, let's get it started  
You won't be broken-hearted  
My love is like a [?]  
I can never, never part it  
You got another lover?  
Well I'll play undercover  
Yo T  
Kick the bridge my brother

Let's not wait (any longer)  
'Cause love's elating (this feeling's getting stronger, girl)  
Don't hesitate (baby, take my hand)  
(Come on, baby)
