

Merry-Go-Round

Hi-Five

Merry go round...

Oh...

One, two, three

Huh

Upside down

Round and round

Girl, you've got me riding on your merry-go-round

Upside down

Round and round

Girl, you've got me riding on your merry-go-round

Whenever you walk by

I become so shy

Thinking of a way to catch your eye

When you're in my way

I don't know what to say

I'm so tired of these (games we play)

I don't wanna move too soon

But I just can't stand this hangin' on

Why don't you give me a clue?

Girl, you want me and you know I want you

Upside down

Round and round

Girl, you've got me riding on your merry-go-round

Upside down

Round and round

Girl, you've got me riding on your merry-go-round

Girl, I can't deny

The way I feel inside

I just can't seem to get you off my mind

The way you stop and go

You holding back, I know

I think you oughta let your (feelings show)

I don't wanna move too soon

But I just can't stand this hangin' on

Why don't you give me a clue?

Girl, you want me and ya know I want you

Upside down

Round and round

Girl, you've got me riding on your merry-go-round

Upside down

Round and round

Girl, you've got me riding on your merry-go-round

A merry-go-round is a ride that will won't you

Up and down, so it feels my heart spins in a circle

I offer my love, but you trample like a stampede

What do I need to succeed

Or shall my heart bleed?
Passionate dreams of your lips as they meet mine
For the first time we caress, it's pure divine
Pleasure exceed, the rendezvous is great
But as the merry-go-round spins around
It's hard [?]

I don't move too soon
But I just can't stand this hangin' on
Why don't you give me a clue?
Girl, you want me and you know I want
You...
