

Rag Doll

Hi-Five

They call you rag doll
But to me you're a superstar
Don't care what the older guys may say
('Cause I love you just the way you are)

They call you rag doll
But to me, you're a superstar
Don't care what the older guys may say
(Because I love you just the way you are)

You're always hangin' by yourself
Alone in school every single day
In the lunch room I tried to sit by you
But you got up and walked away, ooh
I know you feel as I do
When I catch you staring at me
I wanna carry your books home from school
But you [?]

You know I want you girl
You know I need you girl
I got the key to your heart
Please let me into your world

They call you rag doll
But to me you're a superstar
Don't care what the older guys may say
('Cause I love you just the way you are)

They call you rag doll
But to me, you're a superstar
Don't care what the older guys may say
(Because I love you just the way you are)

I don't know why all the guys always teasing you
I think they bored with their self, need sum'n to do
Lemme tell you a 'lil secret, you're a superstar
And won't give 'em no play
So they call you rag doll

Your love is like a flower
That blossom in the Summer time
You get sun rich each and ever day
Please say that you'll be mine
I want you for my girlfriend
And I'm sure you feel the same
Love me
You're with me
So don't pour it down the drain

You know that I want you girl
You know that I need you girl
I got the key to your heart
Please let me into your world

They call you rag doll
But to me you're a superstar

I don't care what the older guys may say
('Cause I love you just the way you are)

They call you rag doll
But to me, you're a superstar
I don't care what the older guys may say
(Because I love you just the way you are)

Don't care what the older guys may say

(Because I love you just the way you are)

On the cloudiest day

To bring out the sunshine

You're my rag doll

From the highest mountain top

Our love will never stop, my rag doll

You're my rag doll
