

Unconditional Love

Hi-Five

I will climb the highest peak
Swim the deepest sea
I would cross the desert land
I would do anything
For your love. Yeah
(Unconditional love)

Oh, oh, oh
I need unconditional love

Baby, once is not enough (No)
I can't live without your love (Oh, yeah)
Sent from the heavens up above
Unconditional love

Some people say that I'm just an old fashioned guy
But I believe in love and all that it means
I can never say no, to anything that you ask
And I really hope that you would do the same for me, yeah, yeah, yeah, yeah
How far will you go?

It's about trust and honesty
And that's the way it's supposed to be
Unconditional love (How far will you go, girl)
It's about time (Time) and sacrifice (Sacrifice)
We pay the price (Do or die), it's do or die
Unconditional love (Unconditional love)

I don't know what to do
I'm head over heels in love with you
And I need to know what it means to you, oh oh
With all this madness goin' 'round
I really think it's time that we settle down
Be my only girl, and I'll be your only man
Tell me, girl

It's about trust and honesty
And that's the way it's supposed to be
Unconditional love (Tell me how far will you go, girl)
It's about time (Time) and sacrifice (Sacrifice)
We pay the price (Do or die), it's do or die
Unconditional love (I need an unconditional love)
(I will be there for you, baby)
It's about trust and honesty
And that's the way it's supposed to be
Unconditional love
(Unconditional - girl, I'll be right there for you)
It's about time (Time) and sacrifice (Sacrifice)
We pay the price (Do or die), it's do or die
Unconditional love (I need an unconditional love)
(How far will you go, girl?)

I will climb the highest peak
Swim the deepest sea
I will cross the desert land
I would do anything for your love, yeah
(Would you do the same for me?)

It's about trust and honesty
And that's the way it's supposed to be
Unconditional love (How far will you go, girl)
It's about time (Time) and sacrifice (Sacrifice)
We pay the price (Do or die), it's do or die
Unconditional love (Unconditional love)

(It's about trust)
Girl, now more than ever
It's important for couples to stay together
You know, with all this madness going around
You don't know what's gonna happen
(It's about time)
You see, baby, you need somebody in your corner
A man that's gonna stand by you when times get tough
And no matter what happens, I'll be there for you
Can you say the same?

Baby, once is not enough (No)
I can't live without your love (Live without your love)
Sent from the heavens up above (Heavens up above)
Unconditional love (Oh yeah)
Baby, once is not enough (Once is not enough)
I can't live without your love (Live without your love, baby)
Sent from the heavens up above (Yeah)
Unconditional love

It's about trust (Trust) and honesty (Honesty)
And that's the way (You and me) it's supposed to be (Baby)
Unconditional love (Unconditional love, girl)
It's about time (Oh) and sacrifice
We pay the price (Yeah), it's do or die
Unconditional love (Unconditional love, my-my-my-my-my-my baby)
It's about trust (Trust) and honesty (Honesty)
And that's the way (That's the way) it's supposed to be (Baby)
Unconditional love (Unconditional love, my-my-my-my-my-my-my-my baby)
