

Cold Blooded

Hi-Rez

I was there from the start, it's like you forgot who you are
I've been who I am, and you not who you are
You say that I'm so hard to deal with 'n shit
But you not a walk in the park
Ice in my heart, don't care that you fallin' apart
To get through the light had to walk through the dark
I flew with the vultures and swam with the sharks
That's how I got all these scars
I can't deal with this shit, I've been feelin' so sick
I can't lose in the process of helpin' you win
Always pushed me away, never lettin' me in
Now you want me around but my temper is thin
I am in pain, you are to blame
For makin' me feel so insane
Just stay in your lane, and I'll do the same
Stop playin' games, don't speak on my name, nah

My blood turned cold, so I'm blamin' you
I got nothing else to say to you
I'm no longer afraid of you
It's nothing new, I'm blamin' you
No, I'm not heartless, I just use my heart less
I got all these scars from the times in the darkness
I don't put my heart in if I am not all in
So don't be surprised if I don't answer when you callin'
I'm blamin' you
I'm blamin' you
I'm blamin' you

I'm already stressed, don't need anymore
If you bring that energy, then hit the door
When we get together, it's just like a way
You lied every single time that you swore
You want my time, you should get in line
My vibe, lately you've been killin' mine
I'm livin' my life, you just killin' time
You're the abuser that always have victim eyes
Can't carry your ass to the finish line
Lately, without you I'm doin' fine
I tried to save you from drownin' when your boat was sinkin'
You ended up sinkin' mine
Truth is fo' sho', cover's been blown
You did this all on your own
You cannot knock me down, I'm in my zone
Better think twice before hittin' my phone, damn

My blood turned cold, so I'm blamin' you
I got nothing else to say to you
I'm no longer afraid of you
It's nothing new, I'm blamin' you
No, I'm not heartless, I just use my heart less
I got all these scars from the times in the darkness
I don't put my heart in if I am not all in
So don't be surprised if I don't answer when you callin'
I'm blamin' you
I'm blamin' you

No, I'm not heartless, I just use my heart less
I got all these scars from the times in the darkness
I don't put my heart in if I am not all in
So don't be surprised if I don't answer when you callin'
I'm blamin' you
I'm blamin' you
