Where the boys go  
Are you ready tonight  
We gonna rock the show  
Can you hold on tight  
Here we go again  
The Time is right  
Hey are you satisfied  
Nobody is tight

I don't care where you're coming from  
I don't care how old you are  
I'm not a dreamer on the stage  
Come on, turn it up

I don't care where you're heading for  
I don't care who you were  
We are the same three guys on the stage  
Boys are here  
Of all generations

Where the girls go  
Have fun tonight

If we can rock the show  
Don't tell me lies  
Cause we got the music  
And we are tight  
Now get your asses up  
We can be united

I don't care where you're coming from  
I don't care how old you are  
I'm not a dreamer on the stage  
Come on, turn it up

I don't care where you're heading for  
I don't care who you were  
We are the same three guys on the stage  
Boys are here  
Of all generations
