Money Changes Everything

Hi-Standard

I said I'm sorry baby
I'm leaving you tonight
I found someone new,
he's waitin' in the car outside
Ah honey how could you do it
We swore each other
everlasting love
I said well yeah
I know but when we did
There was one thing we weren't
Thinking of and that's money
Money changes everything
I said money,
money changes everything
We think we know
what we're doin'
That don't mean a thing
It's all in the past now
Money changes everything

They shake your hand

and they smile
And they buy you a drink
They say we'll be your friends
We'll stick with you
till the end
Ah but everybody's only
Looking out for themselves
And you say
well who can you trust
I'll tell you it's just
Nobody else's money
Money changes everything
I said money,
money changes everything
You think we know
what you're doin'
We don't pull the strings
It's all in the past now
Money changes everything
