## **Wait For The Sun**

## **Hi-Standard**

I'm just a boy who makes mistakes. Sometimes I feel like kicking my own rump. Have no money, but big dreams. Fight my way and wait for the sun.

Yes I still believe! Wait for the sun...

Don't make light of me. Don't make light of me.
I win by all means. I shall never give up.
Draw my chin, in a fighting pose.
Keep breathing through till I fall down.
Nothing gives me more pleasure than change the world.
