Moonlight I see why some go
We go far and we go gentle
Moonlight SY-3 some go
We go far and we go gentle
I only gotta know what it is that you follow
I only gotta know what it is that you're follow

Tell me can I get a light

Tell me can I get a light
Tell me can I get a light

Do you light up at a fire
Or the sight of an iPhone
Tea light candles
Orange and yellow
I don't want you to burn
I don't want you to burn
No
I don't want you to burn
No

Do you light up at a fire
Or the sight of an iPhone
Tea light candles
Orange and yellow
I don't want you to burn
I don't want you to burn
No
I don't want you to burn
No

Moonlight I see why some go
We go far and we go gentle

Moonlight I see why some go
We go far and we go gentle

Moonlight I see why some go
We go far and we go gentle
We go far and we go gentle
We go far and we go gentle
