

Everything's Beautiful

Hiatus Kaiyote

I was walking
Down on my way
I was fine, fine
I was fine, fine, yeah
With the sun kissing on my face
I was fine, fine
I was fine, fine

Didn't you notice?
Don't you know love?
Don't you know everything's beautiful?
Didn't you notice?
Don't you know love?
Don't you know everything's beautiful?

I was singing
Through my headphones
I was fine
I was fine
I am free from harm's way
I was fine
I was fine, fine

Didn't you notice?
Don't you know love?
Don't you know everything's beautiful?
Didn't you notice?
Don't you know love?
Don't you know everything's beautiful?
Didn't you notice?
Don't you know love?
Don't you know everything's beautiful?

Beautiful
Beautiful

I know, know
I know, I know-know
I know, I know
I know, I know, yeah
I was hoping
That you'd notice
Everything's fine, fine
Fine, fine
