

## Lonely Fight

Hibria

I don't trust any of you  
I don't need any of you  
Why not prepare justice with my hands?  
You betrayed me causing pain, takin all my heart away  
Where are you?  
What goes around, comes around  
All my days, I'll hunt you 'till the end

Start crawling on the floor  
You will be my prey  
It's payback time  
Wondering why, who the fuck am I?

I don't know anyone to trust - Lonely Fight  
My life inside a solitary shell  
I'll get to break free from this prison inside  
Then I'll smash you down to death

Every day and every night  
Sure he knows his life is mine  
I can see her pain surround me and I know it's only me  
I close my eyes and I need to hear her voice - begging for - RE  
VENGE!

Where are you?
