

Hunting the Hunter

Hidden in Plain View

Wake up
All systems go
Bracing for the impact
I am only an animal

Unleash all self control
Releasing the hunger
I am only an animal
Hunting the hunter down

I'm not letting you go
Out of my hands
Chasing the enemy
Bite back the ones that leave you
Starving for so long
Cause I'm only human

So follow the leader
Or follow your heart
I am only an animal
Tied to the anchor
Muzzle the thought
I am only an animal
Hunting the hunter
Veiled as prey
Running for their lives
I don't see it that way...no

I'm not letting you go
Out of my hands
Chasing the enemy
Bite back the ones that leave you
Starving for so long
Cause I'm only human
I am only an animal

Does this mean I'm a killer
I'm only human
I am only an animal
