

## Prelude

## Hieroglyphics

we ahead of the charts  
man we better than smart  
we going get up in this industry and tear it apart  
we the hierpariants  
and you rappers is f\*\*kin' parrots  
I get 'embarrassed  
When I hear it  
but still I grin and bear it  
Hierogyphics is your worst nightmare  
since insepction  
and I know that hurt right there  
but accept it  
we inherit the Earth right here  
in the present  
ressurrecting the first idea
