Remind Me

High Contrast

Keeps reminding me
Keeps reminding me
Keeps reminding me
That it's too soon to forget you
Keeps reminding me
Keeps reminding me
Keeps reminding me
That it's too soon to forget you

I know I can't afford to stop
For one moment
'Cause I'm just out of reach of your fingers
I know I can't afford to stop
For one moment
'Cause I'm just out of reach of your fingertips

Keeps reminding
Keeps reminding
Keeps reminding
Keeps reminding
Keeps reminding
Keeps reminding me

Keeps reminding me
Keeps reminding me
Keeps reminding me
That it's too soon to forget you

I know
I can't afford to stop
For one moment

I know
It's too soon to forget you
