

# The Bastard Inside

High Vis

Nothing to nothing  
Nothing to do  
Nothing is nothing  
Nothing is nothing when there's nothing to do

Nothing is nothing  
Nothing to hide  
Nothing is nothing  
Nothing is nothing to the bastard inside

I can't, be a part again  
There's nothing left inside

Nothing is nothing  
Nothing to hide  
Nothing is nothing  
Nothing is nothing to the bastard inside

I can't, be a part again  
There's nothing left inside  
Don't leave me in this way

I can't  
Be apart again
