

The New Asbestos

High Vis

The new asbestos, this instant need
Forever a target you're a victim of greed

We're no longer human and there's no need to think
In this prescribed existence just take what you need

How do you succeed with no idea what you need?
A twisted idea and a desire for fame
You're a botton feeder with no home to claim
I need an introduction to some suffering and pain

The new asbestos, this instant need
Forever a target you're a victim of greed

We're no longer human and there's no need to think
In this prescribed existence just take what you need

How do you succeed with no idea what you need?
A twisted idea and a desire for fame
You're a botton feeder with no home to claim
I want an introduction to some suffering and pain

How do you succeed with no idea what you need?
A twisted idea and a desire for fame
You're a botton feeder with no home to claim
I want an introduction to some suffering and pain

How do you succeed with no idea what you need?
A twisted idea and a desire for fame
You're a botton feeder with no home to claim
