

Can I come home

Highasakite

Hold my hands
Hold my thighs
Hold my knees
Teeth, hair and eyes

Tell me I'm home, that I'm safe
Tell me I'm home, that I'm safe

Hold my heart
Hold my lungs
Hold my head
Feet, mouth and tongue

Tell me I'm home, that I'm safe
Tell me I'm home, that I'm safe

Can I come home
Like someone new
Like someone special to you
Can I come home
Like someone new
Like someone special to you

Can I come home
Like someone new
Like someone special to you
Can I come home
Like someone new
Like someone special to you
