

Darth Vader

Highsakite

I am a philistine
It's the biggest sin
It's amphetamine
And I'm on a roll

And through my villain eye
I see you and I
I see Paraguay
And I've gotta know

Am I the real Darth Vader?
I'll slay dragons too

Dududududududududu...

I am a killer-bee
It's the modest me
I'm a colony
And I'm on a roll

And through my skin and bones
I look man-a-go
I see Navaho
And I've gotta know

Am I the real Darth Vader?
I'll slay dragons too
If that's what I've gotta do

Dududududududududu...
Dududududududududu...
Dududududududududu...
Dududududududududu...

Am I the real Darth Vader?
(It's amphetamine and I'm on a roll)
Am I the real Darth Vader?
(I see Paraguay and I've gotta know)
Am I the real Darth Vader?
(I'm a colony and I'm on a roll)
Am I the real Darth Vader?
(Am I the real, am I the real)

I'll slay dragons too
If that's what I've gotta do

Dududududududududu...
Dududududududududu...
Dududududududududu...
Dududududududududu...
Dududududududududu...
Dududududududududu...
