

## Everything Sank In You

Highasakite

Everything  
Everything sank in you  
Like the ocean swallows bodies  
I can't tell if you're in there  
Somewhere  
I can't tell if you're there  
He has no clothes  
Can't stop talking about Indians  
Mumbling  
Building small towers  
And showing them off  
I can't tell if he's in there  
Somewhere  
I can't tell if he's in there  
God help me  
Like loosing parts inside my chest  
God help me  
Like loosing parts inside my chest  
Inside my chest  
He has no clothes  
Can't stop talking about Indians  
Mumbling  
Building small towers  
And showing them off  
I can't tell if he's in there (oooh)  
Somewhere  
I can't tell if he's in there  
God help me  
Like loosing parts inside my chest  
God help me  
Like loosing parts inside my chest  
Inside my chest  
God help me  
Like loosing parts inside my chest  
Inside my chest  
God help me  
Like loosing parts inside my chest  
Inside my chest  
God help me  
Like loosing parts inside my chest  
Inside my chest
