

Farewell

Highasakite

Are you proud of us too?
As proud as we were of you
So proud, if you only knew

Are you proud to see him learning?
See him swimming in the sea, see him playing next to me

Are you proud to see him growing?
To what he's growing up to be
The man he's growing up to be

Were you there to see him trying?
Were you there to see him fail?
Are you there behind the veil?

Were you there to see him trying?
Were you there to see him fail?
Are you there behind the veil?
