How are you gonna be helpful?  
How are you gonna help out?  
How are you gonna stay faithful?  
How are you gonna move up in the world?  
How will you manage that load?

How are you going to matter?  
How are you gonna stand up?  
How can you be sorry?  
How are you gonna be forgiven now?  
How will you carry that much?

How are you gonna be useful?  
How is this gonna work out?  
How are you gonna stay valid?  
How are you going to look like a man in her eyes?  
How will you stand up and be proud?

How will you manage?  
Without a soul  
How will you manage?  
Without a soul

Without a person  
Without a soul  
How will you manage?  
Without a soul

How are you gonna be useful?  
How is this gonna work out?  
How are you gonna stay valid?  
How are you going to look like a man in her eyes?  
How will you stand up and be proud?

How will you manage?  
Without a soul  
How will you manage?  
Without a soul

Without a person  
Without a soul  
How will you manage?  
Without a soul
