

Mexico

Highasakite

I don't want to fight
I don't want to fly
Kamikaze style
Into the night
I know who you are
And I know you were
My tsunami love
Breaks my body softly
Ohhh, ohhhh
Ohhh, ohhhh

Headed down to Mexico tonight
You just wouldn't let it go
You don't know what you're asking for
Headed down to Mexico tonight
You just wouldn't let it go
You don't know what you're asking for

Consider yourself forgiven
My song be mind
Already clocked out
I know who you are
And I know who you were
My redheaded man
The fox in a hen house

Headed down to Mexico tonight
You just wouldn't let it go
You don't know what you're asking for
Headed down to Mexico tonight
You just wouldn't let it go
You don't know what you're asking for

You just wouldn't let it go
You just wouldn't let it go

Headed down to Mexico tonight
You just wouldn't let it go
You don't know what you're asking for (you just wouldn't let it go)
Headed down to Mexico tonight
You just wouldn't let it go
You don't know what you're asking for
(Yeah you wouldn't let it go)
