Higher Brothers

I ain't never stand still, bitch I'm nomadic
Different woman on my bed, that's a bad habit
I ain't never close my eyes, bitch I'm nomadic
I ain't tryna be in one place, I relocated
If you see the way the money move, it's nomadic
We just run it through the wire, keep it automatic
We gon' move it through the shadows, bitch I'm nomadic
I ain't tryna be in one place, I relocated

Wearing body armor to get my boarding pass, ice on my teeth so they extra wh
ite
90 calls you didn't pick one, tryna sign me? Need to wait in line
Took a walk on the Rhine River, met a woman called Loreley
She had blue eyes, blonde hair, she sang me a song, what was she saying?
80 days to travel the world, my bodyguard is Jackie Chan
Honeymoon with a white girl, in the next city I got another girl
She's my Juliet, hello you can call me Romeo
Pack your things and follow me to the East in my hot air balloon
We wander, we nomadic
I stay far from home, far from her, I'm nomadic
Counting stacks when I'm on tour
You want my life but you can only dream
Gone

I can't go home and I don't want to, everybody fucks with me
I don't have time for CCTV, Durant vs LeBron
When he's spaced out I fasten my buttons, lace up my Adidas Originals
Wow NMD like zoom, I be like a tornado when I pass you by
I don't settle, I stay five star, Bakuso Kyodai come to the spa
Shorties wildin', after the show they DM me to chill
I stay wandering, it's my time to kill
Get more money, whatever, we live it up
The world is so big I want to show her around, we eating good
Blondie call me daddy, say I flex too much
No future regrets, I travel around the world, pay to buy a pass
I take out my stacks like Monopoly, building GDP, I'm enjoying it

I ain't never stand still, bitch I'm nomadic
Different woman on my bed, that's a bad habit

I ain't never close my eyes, bitch I'm nomadic
I ain't tryna be in one place, I relocated

I never feel tired, they can't do what I do
The tricks I learned in the years, I'm doing parkour in the hood
Trying to find my way out of the slums, only a few survivors
Follow my steps, my desire to live can protect you
Shoot the energy into my veins like speed, I got all the attention
Eye-catching, I'm unforgettable ay
You ain't on my level so don't let me catch you slippin'
Don't blame me for not reminding you, got that ridiculous look in your eyes
Ma, you said you like Paris, go with me next time, don't stay at home
I'm used to the loneliness and I feel great, no one can tie me down
But I'm still filled with anger, I'm used to going out at night

Ice around my neck, take a wonderful trip
I close my eyes and take a deep breath, I don't care no more
Yeah, swim in the Indian Ocean, yeah, the water flows
Take a nap on Miami Beach, the sun gives me headaches
Yeah, the sun rises in the east and sets in the west, I enjoy the sunset glow
Yeah, I took off before dawn and landed at Nanshan at noon
Yeah, I whip my horse, I'm a loner and I walk everywhere
I've been to so many cities, bland but real, life has so many details
The future is unpredictable and magical, like raindrops without any trace
Spilled all over the beautiful Tibetan Plateau
Opened my eyes to the sound of the Notre Dame bells this morning
My heart beats faster, temperature rising, continuing this perfect journey

I ain't never stand still, bitch I'm nomadic
Different woman on my bed, that's a bad habit
I ain't never close my eyes, bitch I'm nomadic
I ain't tryna be in one place, I relocated
